## Comfortable Charter Catamaran for Relaxed Sailing Cruises

### ▶ The yachts

48 ft aluminium fast sailing, fully crewed catamaran for up to 8 guests

### ▶ Cruising Area

Thailand, Malaysia, Burma/Myanmar

### ▶ Highlights

This fast sailing yacht is your choice for a relaxed cruising holiday, gourmet cuisine and fun activities in and out of the water. Whether you embark on a day trip or on a longer sailing cruise, you will have a great time on board of this yacht.

The owner, a former chef, runs the yacht like a floating restaurant. Delicious Thai and European dishes keep appearing from the galley. Fresh water usage is no issue with the large capacity water maker. Cabins are well ventilated with opening hatches and electric fans. Or ... you can sleep under the stars: the 30 sqm of netting is probably the largest bed you've ever slept in! At the end of a great sailing day: lie down in the netting, sip your gin-tonic, watch the sun go down and enjoy the soft tones of "EineKleineNachtmusik"!

9. Single cabin / crew cabin (total 2)

## Welcome aboard!

### Below decks

You will immediately feel at home on this yacht. Mozart's interior is stylishly designed in natural wood colours contrasting with light tinted interior elements. The varnished teak & beach floor is a masterpiece of craftsmanship, adding a nice touch to the homely feeling on the yacht.

Mozart features three breezy en-suite double cabins with their own bathroom and shower facilities and one airy double aft cabin with access to shower and bathroom. All cabins are well ventilated with electric fans and opening hatches and have room for storing your personal belongings. Mozart's crew is accommodated forward in their own private cabins. The saloon is spacious with a u-shaped, light-tinted leather settee set around a central table. 9 Persons can sit here for breakfast, lunch or dinner. A convenient and well-stocked galley is located in the port (left) hull and is fitted with a gas stove and an oven/grill.

### Above decks

Above decks Mozart is huge, taking into account she is 48 feet x 25 feet. She is fitted with an aluminium fixed awning for protection from the sun and the occasional tropical shower. Lunches are often served on the open-air foredeck under a shady and breezy awning with panoramic view of the surroundings.

The uncluttered decks with wide walkways make her a safe vessel for children. One can also laze in the bow netting during passages and sleep under the stars if wished. Access to the water is safe and easy from the low to the water swim platform and ladder. A deck shower is located on the aft transom.
